Doctor

Available on call 24/7

Through Core FM's VIP medical care package, there is a qualified doctor (GP) available 24/7. **All you have to do is call.**

No cost at all

Core FM offers a medical helpline, as well as the benefit of a doctor's webcam consultation, at no extra cost.

No waiting time

You get valid answers from qualified doctors just by calling and asking for advice via telephone or an examination via webcam.

Webcam consultation

Webcam consultations allow you to interact with a doctor online from anywhere.

Email prescription

Now, you can simply call the doctor available, request a consultation via telephone or webcam and the doctor will prescribe any necessary medicine & prepare a prescription.

Employee Helpline

A valuable service

Easy and immediate access is available, for you and your family, to a personal helpline in our wellbeing package. Reduce the pressures faced, at work or at home, on a daily basis.

Professional counselling

Expert counsellors are ready to listen and help whenever their support is needed, regarding emotional and practical issues including: illness, bereavement, stress at work, family or marital problems, addictions, struggling with debts or legal matters.

Confidential 24/7 helpline

Whenever in need, you can either call on our call free phone number or use our click-to-call service on a mobile device 24/7. The service is completely private and strictly confidential.
